Main features

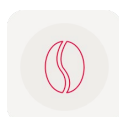

ESPRESSO SYSTEM

Quality with no compromises: the espresso system delivers impeccable flavour, the result of a design created to enhance the quality of every cup.

CONNECTED TABLET

Connected Android 13.3" tablet with top-level performance: high-quality interactions with all the advantages of Wi-Fi connectivity.

VARIABLE GRINDING

The grinding, available on request, automatically adapts to changes in the natural organoleptic characteristics of coffee, ensuring excellent quality and consistency in every cup of coffee.

DOUBLE SUCTION

An intelligent suction system: constant cleaning, minimal maintenance.

SOLENOID VALVES

Solenoid valves with corrosion-resistant AISI 316 inserts ensure long-lasting durability.
